

NORTH FORK CLEARWATER RIVER CORRIDOR

Be sure to contact the North Fork Ranger Station (208-476-4541) for road updates or for more information about winter and spring recreation opportunities.

Spring visitors to the North Fork Ranger District should plan for deep snow in places, and generally damp conditions. Expect limited access to the backcountry. Several roads and trails remain closed, particularly at higher elevations; other roads are only partially open. There are also a large number of downed trees and rocks in the roadways, districtwide. Visitors are encouraged to carry chainsaws if they plan to venture out on the forest. Be sure to discuss any Memorial Day travel plans with Forest Service officials before heading out.

All forest roads are mountain roads with potential hazards. Appropriate caution is required. Single lane in many places; backing up may be necessary. At a minimum, carry water, a shovel, and an axe.

Forest Road Check List

- ✓ Watch for & obey posted speed limits. Forest Service roads can be narrow, rocky, & not meant for high speeds.
- ✓ Be careful braking on gravel roads. Allow more time and distance when coming to a stop.
- ✓ Beware of rocks, boulders, road washouts, downed trees and brush on the roadway.
- ✓ Use appropriate tires for the terrain and conditions you'll be traveling.
- ✓ Remember to stay on authorized roads.
- ✓ Plan appropriately for food, gas, and lodging, which may not be readily available along Forest Service roads.
- ✓ Always carry extra food and water.
- ✓ Always let someone know your plans and stick to those plans.
